**Sedation for services or treatment to be performed:**

**I, the undersigned owner or agent of the pet identified above, authorize the staff of Agape Pet Hospital, LLC to perform the above procedure(s).**

**DID YOUR PET EAT THIS MORNING?     YES     NO**

**I understand that some risks always exist with sedation and that I am encouraged to discuss any concerns I have about those risks with the Veterinary Technician and/or Attending Veterinarian before the procedure(s) is/are initiated. I have been informed to eliminate some risks that there are options available to my pet.**

**I understand that the attending veterinarian will make every effort to contact me regarding treatment in the case of unforeseen emergencies. If unable to contact me, the staff has my permission to proceed with life sustaining procedures.**

**I give my permission [yes]:  I do not give my permission [no]:**

While I accept that all procedures will be performed to the best of the abilities of the staff at this hospital, I understand that no guarantee or warranty has been made regarding the results that may be achieved.

I also assume full responsibility for any additional expenses incurred after the surgical procedure is performed, such as follow up radiographs, re-check physical exams, medications and additional surgery due to post-op complications. These are more likely to occur when there is a failure to comply with the aftercare instructions.

**A complete physical exam will be performed on your pet prior to the surgical procedure if it has been longer than 30 days since the last exam.** Bloodwork will need to be performed prior to sedation if it has been more than six (6) months since last done. However, this may not identify all systemic or metabolic problems.

I have read and fully understand the terms and conditions set forth above.
